Dear Parent,

Put an end to the frustration of lost uniform and equipment

The loss of property and uniform is problematic for both parents and schools. We would like to remind all parents that it is a requirement of Mascall's to have all uniform clearly labelled.

To this end, we have recently joined the Find My kit network. Parents can order Find My Kit Smart Tags which, as well as containing the owner's name, also encompass an individual QR code linking to the parents' email and mobile number. These come as iron-on labels and also as stickers useful for shoes and equipment.

When a lost item is found, the school or affiliated partner eg bus company, scans it and an immediate text and email is generated to the parent notifying them that the lost item has been found and advising them where to collect it.

The school has negotiated a 10% discount for label orders for all of our pupils as an introductory offer. This can be achieved by applying the promotional code **MISCL** at the checkout.

Please visit www.findmykit.com to register and order for your child or for more information.

For any specific further questions, do not hesitate to contact Mrs. Warner on 01892 831472 or denise.warner@mascallscademy.org.uk.

Yours faithfully,

MRS. C. ROOT

"A revolutionary way to label clothing"

Harnessing the power of today's technology, these simple, effective, name tags are reshaping 'lost property'. Schools are signing up to this system all over the country as by simply scanning the tag YOU the parent/guardian will receive an email and SMS text message alerting you to the found item!

**This is 100% secure and safe to use and
ALL for the same price as normal tags.**

IT'S NOT A NAME TAG, IT'S A 'SMART TAG'

- Easy to sign up
- 100% safe and secure
- Individually produced QR codes
- Easy to iron/stick on
- Lost items are scanned & you are notified by text or email of it's collection point.
