Dear Sir/Madam,

Thank you for your enquiry.

The WJEC is mindful of the fact that the loss of certificates can lead to severe difficulties for applicants for college or university places and for those seeking employment. We are therefore prepared to consider providing Certified Statements of Results where we are satisfied that the original certificate has been lost or destroyed.

Certified Statements are not issued automatically on request. To do so would endanger the integrity of the whole system of issuing examination results by certificate. In order for such provisions to be made, we require an account of the circumstances surrounding the loss of the original certificate so that full consideration can be given to the issue of the certifying statement.

Applicants can apply for:

Either

A Certifying Statement of Results (certificate) - This is an official certified WJEC statement of the results achieved by an examination candidate for each session requested - please allow at least ten working days for completion.

Or

A Letter of Confirmation - WJEC will provide written confirmation of a candidate's results direct to any Employer, Educational Institution or Professional Body. **Please note that letters of confirmation cannot be sent to candidates, nor can they be addressed "to whom it may concern"**. A specific individual within a specific organisation must be nominated.

The fee payable for these services are indicated on the enclosed application form. If you wish to apply for either a Certifying Statement or for a Letter of Confirmation, please complete the form and return it to this office together with the appropriate fee. All cheques, postal orders and money orders should be addressed to the Welsh Joint Education Committee, **on no account should cash be forwarded**. Payment can also be made by credit card.

Yours faithfully,

DEREC STOCKLEY
Director of Examinations

Important Notes

Please ensure that you have read and understood all the details on this form before returning it to the office. Please also ensure that you have enclosed the correct fee. A large number of applications received have to be returned to the applicant because the fees submitted are incorrect. If you are in any doubt about the fee to be submitted please telephone the office (029) 20265056 for advice.

WJEC will make every effort to locate your result. If however, we are unable to do so (e.g. because they were sat with another board) then 50% of the fees submitted will be returned.
