

SIXTH FORM OPTION GRID – YEAR 12 2016/17 ACADEMIC YEAR ENTRY

This option grid has been produced to provide a combination of A Level and Vocational subjects which will form a suitable and balanced programme of study for students within Mascalls Academy Sixth Form. Students should select three subjects and a reserve choice, each from separate columns, which can be a mix of A Levels and Vocational subjects. Vocational subjects can be selected as double, where indicated (D), but both columns must be selected in this case.

- NOTES:**
- 1) Further Maths can be taken as an AS over two years (subject to teacher recommendation), and will operate on a reduced teaching time including P6 teaching.
 - 2) There can be no guarantee that every course will run, or continue in the second year within the same column format. Classes with low uptake may not be viable and may be withdrawn.
 - 3) Students having to retake Maths and/or English GCSE cannot access Level 3 subjects in column C, and their reserve choice would therefore apply.
