**LEVEL 2 City & Guilds Technical Certificate in Site Carpentry for 16+**

I would like to make you aware that from September 2019 Skills for Employment will be offering the City & Guilds Level 2 Technical Certificate in Site Carpentry qualification, which will be based in the Construction department at Mascalls Academy.

This is a full-time, two year course which covers all the main skills and knowledge needed to either enter the workplace as a site carpenter or progress on to further learning and training. Please see the attached leaflet for more information.

We will be holding an Induction event on Monday 1 July from 9.30 am to 11.30 am at Mascalls Academy. If your son/daughter would like to know more about this course and would like to attend, it would be appreciated if you could let me know by email via [info@skillsforemployment.co.uk](mailto:info@skillsforemployment.co.uk).

If you would like to discuss this in more detail or have any questions, please do not hesitate to contact me on 0779 5504 845.

Yours faithfully

pp  
**Mr Joseph Buels**  
Director  
Skills for Employment
