Dear Parent/Guardian

I am writing to ask for your support in overseeing a couple of pieces of work in Geography. Your child did not perform particularly well in the Geography exam and I have reproduced copies of the longer questions and the answers and given to them. Please ensure that your child answers the questions again using the mark scheme.

In addition, I have given them a Hastings Fieldwork summary sheet and asked them to produce a report of about one or two sides. Ideally, I want this to be handed in this term, otherwise the next semester will have to suffice.

Thank you for your support with this work.

Yours faithfully

**Roger Kidney**  
Assistant Head of Geography
