Dear Parent/Carer

YEAR12/13 VISIT to BERLIN, GERMANY FEBRUARY 2020

A provisional booking has been made to take a group of Year 12 and 13 pupils for a 3-night residential trip to Berlin, from Friday 7 February to Monday 10 February 2020. We will fly from London Gatwick at 8:40 am to Berlin Schönefeld Airport on the morning of the 7 February. The trip will involve visits to museums and areas of historical significance, with the intention of extending the student's critical & contextual understanding & enhancing their cultural experiences.

The cost of the trip will be approximately £376.00. The final price will be based on the exact number of students interested, but that is the average cost given by our trip advisors, European Study Tours. The price of the trip will include;

Return flights from London Gatwick (please note: we cannot provide travel between the school and the airport for either the journey out or return)

Bed & breakfast accommodation at a centrally located hotel

A full programme of activities and entrance fees to galleries

Fully comprehensive insurance

A 3 course meal, including a soft drink on one evening. Students will need to buy their evening meal on the other days. They will also need to purchase lunch each day.

The trip is being organised by Miss Charlton (Teacher of Art and Design and Photography) in conjunction with European Study Tours. Mr McGoldrick will be the other teacher accompanying the trip. We will be arranging a meeting for parents and carers to go through the complete itinerary closer to the time.

If you would like your child to take part in this exciting trip, the first step is to complete the consent form following this link:
