Dear Parent/Carer

As part of your son's/daughter's GCSE Business course, we aim to use the Edexcel recommended revision guide and workbook as an integral part of their learning. We have purchased these books on behalf of students and we are writing to request a payment of £11 from each student, which can be made via Scopay online, to cover both resources and this will also allow them to contact the related online resources independently. Please can you make payments by 5 October 2019.

The guides are particularly useful in demonstrating the written exam technique required and also allow students additional opportunities to analyse case studies, similar to those used in their final exams. The books will be used during lessons and to ensure the effectiveness of homework assignments.

There is no obligation to purchase these, but any books that are borrowed, rather than purchased, must be returned at the end of the course, in "good" condition.

We also ask students to continue using Seneca learning to consolidate their knowledge and we will continue to cover all aspects of the course during their lessons.

If you have any questions, please feel free to contact us.

Yours faithfully
